**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic for some time now. It is a small service provider and they need your help to stop the AT&Ts from hiking the price of copper to sonic and those costs down to us consumers. I left AT&T because of their pricing and lack of options except for a price. with sonic I get a full featured phone that is 3 to 4 times cheaper than AT&T. Also I get limitless at top speed internet. With AT&T their plan limited me at a lower speed and was capped at 1.5 gigs per month. If the rules change to the advantage of AT&T my bill will go up. Please do not let this happen. Leave the ruling in place.s

Thanks
